Welcome to Historic Wykagyl Country Club- Wykagyl is one of the most challenging and beautiful courses in the country. In 1898, a group of ardent sportsmen - anxious to pursue the new game - met and formally organized the club. In 1904, the Members found a new home in New Rochelle. The original course was laid out by Lawrence E. Van Etten, who had joined the club in Pelham in 1904. The course was changed in two steps by two noted golf architects. Donald Ross redesigned several holes in 1919 and A.W. Tillinghast worked on others, including a totally new 17th hole and shortening the 18th, of which Harry Vardon was so fond. In 1994 the Club commissioned noted golf course architect Arthur Hills to supervise a makeover of the entire course. In 2005, the Club hired the firm of Coore-Crenshaw to again maintain the legacy of Wykagyl's storied golf course.

Wykagyl has also been the host for many golf tournaments. These include the famous "Palm Beach Round Robin" from 1948 through 1952, 1956 and 1957, the "Red Cross" Tournament in 1944, the LPGA "Talk" Tournament in 1977, the LPGA "Golden Lights Championship" from 1978 through 1980, the LPGA "Chrysler - Plymouth Classic" in 1982, the LPGA "Master Card International Pro-Am" in 1984, the LPGA Japan Airlines Big Apple Classic 1990-2000, and the LPGA Sybase Classic 2001-2006. In 2007, the Club will host the HSBC Women's World Match Play Championship.

The first organizational meeting of the Professional Golfer's Association was held at Wykagyl in 1916 and its first president was Bob White, Wykagyl's long time Head Golf Professional. The first U.S. Open Championship in 1895 was won by Mr. Horace Rollins, who became head professional here.
